EXCELLENT LOGISTICS AND A BIT MORE

WE DELIVER YOUR GOODS RELIABLY, SAFELY AND COST- EFFICIENTLY TO THEIR DESTINATION... WITHOUT TRANSLOADING.

Whatever
volume you need
to transport:

We always develop
an individual and
cost-effective
solution for you.

National and international:
We transport partial and full loads of all
kinds. Tailored to the size of the load, we
use the most suitable vehicles, from
small vans to 40-ton trucks.

ALWAYS AVAILABLE, ALWAYS THE RIGHT VEHICLE TYPE:

Caddy	Pal. 1x	max. 0,4 t
Sprinter	Pal. 4x	max. 1,1 t
Planen-Sprinter	Pal. 8x	max. 1,25 t
7,5 to TRUCKS	Pal. 15x	max. 2,2 t
12 to TRUCKS	Pal. 18x	max. 5,0 t
40 to TRUCKS	Pal. 34x	max. 25 t

Pallets, big bags, long goods:
We transport your goods cost-effectively,
even if they don't fill an entire truck.

OUR ULTIMATE PROMISE TO YOU: YOU FOCUS ON YOUR CORE BUSINESS, WE TAKE CARE OF THE REST.

+ INDIVIDUAL.

Full service from a single
source:
After a comprehensive
consultation, we develop a
customized logistics concept
for you. Once the order
is placed, you can relax,
because your personal
contact person will
take care of
the entire project
organization
and keep you
informed about all
important steps.

Your personal
contact person
will take care
of everything.

+ FLEXIBLE.

Thanks to our extensive
partner and logistics network,
we can handle every order
flexibly and according to your
wishes. We are always
available 24 hours a day for
consultations or interim
reports.

+ FAST.

We distinguish ourselves not only
through our broad range of
services, but also through our
many years of expertise in the
market. We act dynamically and
quickly according to your
requirements and are available
to you as a reliable partner.

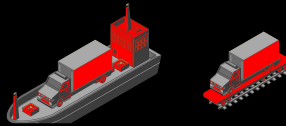

Especially when your load doesn't fill a entire truck, we are able to ensure a high departure frequency and thus fast delivery of your goods through intelligent combinations of various partial loads.

In this area, we offer you various options to guarantee the safe transport of your partial load:

- ✓ PART LOADS WITHOUT RELOAD
- ✓ INTERMODAL TRANSPORT
- ✓ DIRECT TRANSPORT
- ✓ LOADING - DELIVERY

We also do intermodal transports:

NATIONAL PARTIAL AND FULL LOAD

NATIONWIDE ALSO AVAILABLE BY EXPRESS DELIVERY

We are on the road nationwide around the clock for your individual deliveries. Our national transport services include partial, full, and express shipments.

Special orders are part of our daily business. Because the goods are not transshipped during transport, damage is almost impossible.

The short-term handling of large projects is also no problem for our well-established team.

We offer partial and full loads throughout Germany, also as express shipping: Loading takes place within 90 minutes of order placement.

Do you have initial questions about our service portfolio or would you like to arrange an appointment for an initial consultation? Our team for national partial and full loads looks forward to hearing from you.

**We do
container
transports
with our
own trucks!**
